Display and promotional resources have been produced to help promote the spirituality and good works of Suzanne Aubert in parishes around the country. There are now two additional options for churches and schools to create their own Suzanne Aubert display.

**Option One: Personalised Triptych Display**

It is now possible to order the three panels necessary for a display as separate pieces to different sizes so that they can be either fixed to a wall or free standing. Recommended size is 600mm x 400mm.

The panels are printed on a thicker foam-backed card and are ridged, durable and self-supporting.

**Option Two: Information Under Portrait**

This option allows for a panel to be fixed to the wall underneath a picture of Suzanne Aubert. This panel can be any size. The most preferred option is 1metre wide by 600mm high.
